

2011 Mantua Drama Club Student Letter of Commitment

I, _____, a student at Mantua Elementary School, wish to join the Mantua Drama Club for the 2011 season. By signing this form, I agree to the following:

1. I understand that I must be at every rehearsal, and performance on time unless I am sick, there is a family emergency, or another school event.
2. I understand that I am allowed 2 unexcused absences in October.
3. I understand that I must attend every rehearsal and performance during the month of November unless I am sick, there is a family emergency, or another school event, and that no unexcused absences are allowed in November.
4. I understand that if I miss more than 2 unexcused rehearsals in October, or have any unexcused absence in November, I will not be able to participate in Drama Club this year.
5. I understand that when the drama club coordinator, directors or any parents or teachers assisting with Drama Club ask for my attention, or ask for me to stop talking or to stop a particular behavior that I should follow their direction immediately.
6. I understand that if I am caught talking or texting on my cell phone that it will be confiscated (taken away) and returned to my parents at the end of the meeting/rehearsal time.
7. I understand that if my cell phone is taken away or if I do not follow the coordinators, directors, or volunteers, I may be written up. After my second write-up, my parents will be notified. After three write-ups I will be excused from drama club and may not return this season.
8. I understand that if I disobey the Student Code of Conduct, I will be excused from Drama Club immediately and will not be allowed to return this season.
9. I understand I may not be selected for the role I auditioned for or requested; however, I will support the Drama Club's decision and participate in another role or work with the technical crew.
10. I understand that Drama Club is FUN but that there will be moments during check-in, group announcements and other activities that may not be as fun as others and I will act appropriately during these times.

My commitment to the Mantua Drama Club program is to show up on time, respect others by treating others as I want to be treated and to have a lot of fun!
