

MANTUA ES CAR/KISS & RIDE INFORMATION

Parents are free to drive children to/from school. Remember, however, that Kirkwood Drive and Horner Court are narrow residential streets, so PLEASE DRIVE CAREFULLY, SLOWLY, and COURTEOUSLY. The combination of school buses, personal vehicles, parked cars, and walking children makes for a potentially hazardous mix. In order to keep everyone safe, please follow these guidelines when driving your child to school and refer to the following diagram:

Kiss & Ride Flow of Traffic

1. Drop off your child in the "Kiss & Ride" area at the dead end of Kirkwood Drive (the east/left side as you approach the school).
2. Do NOT park your car in the "Kiss & Ride" lane or get out of your car – even for "just a minute." Safety patrols are stationed along the sidewalk to assist your child out of the car.
3. After dropping off your child, please follow the directional arrows around the entire side parking lot. Please do NOT attempt a U-turn in the "Kiss & Ride" lanes, as this is likely to confuse other drivers and cause an accident.

4. If you drop your child off on Horner Court in front of the school, have him/her cross the bus lane in the middle where a safety patrol is stationed to assist children.
5. If you need to escort your child into the school or have an errand in the school, please park your car in one of the parking lots on either side of the building.
6. Once you drop off your child at Kiss & Ride, do NOT pull around other cars in front of you that are dropping off children.
