Impact Aid Student-Parent Survey Going Out

10/31/17

Impact Aid programs and grants are designed to assist local school districts that enroll federally connected students. The increasing federal presence in our area and the significant tax exemptions available to federally connected personnel, businesses, and agencies, has permitted Fairfax County Public Schools (FCPS) to be eligible for federal Impact Aid grants.

Impact Aid programs and grants are designed to assist local school districts that enroll federally connected students. The grants from these programs will become a part of FCPS general operating budget and are critical to ensuring that all children in FCPS receive an excellent education. FCPS anticipates receiving about \$3,000,000 annually in Impact Aid funds.

FCPS uses the Student-Parent Survey to identify federally connected students and to support our request for Impact Aid resources. Beginning October 31, the survey will be distributed to all FCPS families.

For each school-aged child in your household, please complete, sign, date, and return the survey to your child's school by **November 8**. If sections 2 through 4 of the survey

do not apply to you, just sign, date, and return the form by the due date. FCPS staff will process the information with the utmost confidentiality. To ensure complete accuracy, please use the pre-filled survey that will be sent home with your child on 10/31/17.

Additional information about Impact Aid Programs and grants is available on the U.S. Department of Education's website at [DoED Impact Aid Programs](#).

FLE Instructional Program Information

Fairfax County Public Schools (FCPS) provides a comprehensive, sequential Family Life Education (FLE) program for students in grades kindergarten through grade twelve. Instruction is seen as a partnership among parents and guardians, the school, and the community in supporting the learning essential to the development of strong families, positive relationships, and a healthy community.

Parents/guardians may choose to opt their child out of all or part of the Family Life Education program. Students who are opted out are provided with age-appropriate, non-punitive alternative health instruction, and every effort is made to

foster respect for family choices. If you wish to opt your child out of all or part of FLE for this school year, opt out forms were included in your child's 1st day folders and are available online for Elementary (K-6) <https://tinyurl.com/yak8sz5m>. Please fill in the opt-out form and return it to your child's school prior to Family Life Education instruction.

Detailed grade-level program descriptions are available online for Elementary (K-6) <https://tinyurl.com/yak8sz5m>. FLE grade level-specific lessons and media that FCPS has streaming rights for are available for parents online in FCPS 24-7 (Blackboard) Parent View <https://fcps.blackboard.com/>. Account information is available at your local school or online at <https://tinyurl.com/yak8sz5m>. Grade level-specific lessons are also available at the Fairfax County Regional Library in the City of Fairfax (this location does not have media). Grade level-specific lessons and media that is not streamed online are available for review at your child's school library. Due to copyright permissions, we are unable to stream all media online.

Program questions may be addressed at your child's school or by contacting Instructional Services at 571-423-4550 or by contacting Elizabeth Payne, Health and Physical Education Coordinator at etpayne@fcps.edu.

Eco-Tip

- Mantua is an Eco-school! We earned our Bronze award last school year and are working towards our Silver. We need the participation of all students and families to make this a success. If you are interested in helping out with either the recycling, garden or food sharing program, send an email to dyanebronson@gmail.com Any amount of time is appreciated!
- Exhaust from idling cars contributes to global warming, exacerbates asthma, wastes gas and costs money. It's especially harmful near schools, as kids are more vulnerable to the health effects of air pollution. What you can do: Shut off the engine when you'll be stopped for more than 10 seconds. Easy! Next time you are waiting at the Mantua Kiss and Ride -- or anywhere else -- turn off your car and make a difference!

Funds2Orgs Fundraiser – Fundraiser for Woodson Senior Class

This footwear provides an incredible economic boost by supporting micro enterprises in developing Nations like Haiti, Columbia, India and Tanzania. It is a win-win-win for the Cav Cruise, people in developing nations and YOU!! You get to empty out your closets, the Cav Cruise gets up to \$3000 and gets an amazing amount of shoes to help their cause! Please contact Robert Silkowitz at Robert.Silkowitz@vertivco.com or drop them in the bin in the front lobby of the school.
