Please make sure all personal belongings are labeled with at least your last name before they come to school. If you want to check the lost and found, it is now in the cafeteria. All items left in the lost and found at the end of the quarter on **January 25, 2018** will be donated to charity.

Inclement Weather and Emergency Closing Plans; Make Arrangements Now in Case of an Unforeseen Schedule Change

Cold and wintry weather is on its way! Due to inclement weather

or other emergency situations, it may be necessary to close schools for the entire day, to open schools late, or to close early.

Parents are urged to make arrangements now for the care of their children when schedule changes are made (and to provide for the rare situation when it is necessary to close an individual school because of a power failure or other circumstances). Children should know where to go if a parent will not be home.

FCPS has several schedules set up to deal with inclement weather; these are put into effect when conditions threaten the safety of students and staff members:

- Keep schools closed.
- Open two hours late.
- Close two hours early.

When Fairfax County Public Schools has a schedule change (closing or delay) due to inclement weather or other emergencies, [the information is communicated in several ways as soon as the decision is made.](#)

Note: The official [@FCPSnews Twitter](#) account (with blue checkmark) is generally the first and fastest mode of communication during emergency weather closings. Other communication channels will be updated as quickly as possible including email, text, website, other social media, and news stations. Please be aware, due to the large volume of emails sent, there will likely to be a lag between the time a FCPS Twitter alert is posted and receipt of an email in your inbox.
