## Survey to determine which GlobalPLUS language classes to offer next school year

Survey for 2018-19 GlobalPLUS Language Classes We will be offering GlobalPLUS foreign language classes before and after school again next year. GlobalPLUS classes are designed to be an

The schedule for these classes will be set over the summer. We would like your input to determine which languages to offer next year, and which days these classes should take place. ## Frozen Treats for Birthdays

It is fast becoming the season for frozen treats and many families like to bring birthday goodies to class. Unfortunately we do not have freezer space to accommodate birthday frozen treats. Please coordinate with your classroom teacher.

## Important Immunization Requirement: Do You Have a Student Entering Sixth Grade Next Year?

If yes, he or she may need a booster dose of Tdap (tetanus,

diphtheria, acellular pertussis). Sixth grade students cannot begin school in August without documentation of the Tdap booster. Parents or guardians should ask their private healthcare provider, or the health department, to review their child's immunization record if they are unsure if their child has received the Tdap booster.

Students who have received a Tdap booster between the ages of seven and eleven do not need another dose. Documentation must be provided to the school student information assistant (SIA) or registrar as soon as possible.
