January 20 (Thursday) - End of Second Quarter - Dismissal at **2:05 PM**.

January 21 (Friday) - Student Holiday (Teacher Workday).

January 24 (Monday) - Student Holiday (Teacher Workday).

PTA Meeting Update

The next PTA meeting will take place virtually on **Thursday, February 3 at 7pm**.

There will be no January meeting.

Return to School

This **new guidance is effective Monday, January 10, 2022**. The information provided below provides a summary of the updates. Please reference the [FCPS Health and Safety Guidance](#) for additional details.

New Guidance for Returning to School After Quarantine, Pause, or Isolation

The Centers for Disease Control and Prevention (CDC) issued [new guidance](#) for isolation and quarantine in late December, with multiple updates in January. This guidance reduces isolation and quarantine to five days. The VDH states that school districts may choose to continue more stringent

isolation and quarantine requirements or may implement the new CDC guidance.

FCPS will adopt the new guidance with one exception:

- FCPS **will** adopt CDC's recommendation for a **five-day period of quarantine for students and staff**.
- FCPS **will** adopt CDC's recommendation for a **five-day period of isolation for staff**.
- FCPS **will NOT** adopt CDC's recommendation for isolation for students as we are unable to implement the required physical distancing protocols during meals. **FCPS students with COVID- 19 will need to continue to complete a ten day isolation period.**

Return Guidance for Students with COVID-19

Students who are COVID-19 positive are able to return to school when ALL of the following criteria are met:

- Student completes at least 10 days of isolation from symptom onset for symptomatic students or 10 days since testing positive (day test administered) for COVID-19 for asymptomatic students; AND
- Student is fever free for 24 hours without fever-reducing medication; AND
- Student's symptoms have improved; AND
- Student submits the FCPS Isolation Letter with the return date to their attending school

Return Guidance for Students who are Close Contacts to School Related Exposures

Asymptomatic students who are close contacts and required to quarantine are able to return to school when all the criteria for one of the two options below is met:

- Option 1:
 - Student completes five days of quarantine; AND
 - Student is asymptomatic; AND
 - Student is able to wear a face mask at school- Day 6 thru 10 ; AND
 - Student submits FCPS Pause Letter with the return date to their attending school
- Option 2:
 - Student completes ten days of quarantine; AND
 - Student submits FCPS Pause Letter with the return date to their attending school
 - **Students with mask exemptions will need to utilize Option 2 to return from quarantine.**

Some students and staff may be exempt from quarantine if they meet the CDC criteria, are able to wear a face mask, and are asymptomatic:

- Students must complete the FCHD vaccination survey, and receive a clearance email from the FCHD prior to resuming in-person learning and activities.
- Staff must complete the Fully Vaccinated Exemption Form

Return Guidance for Students who are Close Contacts to Community Related Exposures

NEW! FCPS will no longer require Return to School documentation for a student deemed a close contact **in the community, outside of the school environment**. FCPS recommends that families adhere to the Fairfax County Health Department ([FCHD](#)) [quarantine guidance](#), as appropriate. If families have questions regarding COVID-19, they are encouraged to consult their physician or the [Fairfax County Health Department](#).

Updated Health and Safety Guidance Documents

The best source of the most up-to-date information, including how students return to school after quarantine or isolation, is available on the [Health and Safety Guidance Document](#) on the FCPS website.

FCPS staff should refer to resources on the [Employee Hub](#) for updated guidelines to return to work.

Second Quarter/First Semester Timeline and Grading

The second quarter and first semester calendar and grading timelines will remain as scheduled to stay aligned with the January 21 and 24 student holidays. Schools will work with individual students to support them and allow flexibility in the instructional pacing and grading.

Attendance Guidance

We continue to follow our [FCPS attendance policies](#) as we navigate our return after Winter Break. Families should send their healthy children to in-person learning at this time, given the negative impacts of missing school. Students that miss school for reasons that fall outside of the acceptable excused absences, as outlined in FCPS attendance policies, will be counted as unexcused. Students with excused absences should communicate with their school regarding how to address missed instruction. If you have questions regarding your child's attendance at school, please reach out to your school directly.

Mantua Reflections County Awardees

The Fairfax County Council PTA announced this year's awardees: <https://www.fccpta.org/post/reflections-awards-2021-2022>

The county-level judges evaluated more than 250 entries. With nine Finalists, Mantua participated in 5 of the six arts categories and 3 of the four grade divisions. Three awards are given in each category and division.

All FCCPTA awardees will have their entries submitted to the NoVa District PTA Reflections program. Watch for those results coming late winter!

Congratulations to our County awardees! We wish them the best of luck at the District Level!

Upcoming Frost MS Events for 6th Grade Families

Please mark your calendars for our Rising 7th Grade Orientation on January 27th and the Frost Family Festival on February 16th. More information is included below on each of these events and a full list of our upcoming activities can be found [here](#).

The Rising 7th Grade Orientation is for current 6th grade students who will be attending Frost in the 22-23 school year and their parents. This will take place virtually on **January 27th at 6:30 PM**. During this event you will hear from administration and school counselors who will provide an overview of Frost Middle School, course selection opportunities and the selection process. The link for this event will be sent in mid-January to all families.

We will also be having the **Frost Family Festival** (in-person) on **February 16th beginning at 5:30 PM**. This is a great opportunity to have dinner, get a school tour, and visit elective classes to help confirm desired course selections.

Children Ages 5-11 Now Eligible to VaxUP!

This week marked a pivotal moment in the COVID-19 pandemic. Children ages 5-11 are now eligible for the COVID-19 vaccine. FCPS is collaborating with the Fairfax County Health Department, Inova, and the Virginia Chapter of the American Association of Pediatricians to offer community-wide access to vaccines as soon as possible. Vaccines are expected to be available at mass vaccination sites really soon. Check with your local pharmacy or pediatrician

for appointment availability. Up-to-date information about vaccination opportunities will be available on our website.

In the meantime, you may have questions about the vaccine. We talked with local pediatricians to answer some of the most common questions. First, we asked how the vaccine works and about its safety. Hear what they have to say in this short video.

How the School Year Calendar is Developed

The school year calendar is created with community feedback while also ensuring compliance with federal and state laws and policies. To understand the process and the framework FCPS is using, watch this video or visit the FCPS website. The School Board has final approval on the calendar and is scheduled to vote on January 27.
